

## Hunter Matheson Joins Creative Mammals as Executive Producer

08.07.2018

Hunter Matheson has joined Atlanta-based design and animation studio Creative Mammals as executive producer, the firm said Tuesday.Â

At Creative Mammals, Matheson will lead the studio's business development efforts while working with studio leadership and clients.Â

"The creative passion and commitment to quality design here will make business development easy!" said Matheson in a statement. "I'm looking forward to working with such a creative and driven group."

Matheson comes to Creative Mammals from Primal Screen, which is also based in Atlanta and where he also served as executive producer. He has more than 15 years of experience working with top entertainment brands.Â
