

## Jason Bateman Launders Money for the Cartel in 'Ozark'™

07.12.2017

Jason Bateman stars as a Chicago financial advisor Marty Byrde, who also works as the top money launderer for the second largest drug cartel in Mexico in Netflix's new drama.

After his partner is caught embezzling money, he uproots his family to Missouri's Ozarks to continue his criminal operation.

Netflix's official trailer dives into the dark and gritty series that also stars Laura Linney as his wife Wendy, and their teenage kids Charlotte (Sofia Hublitz) and Jonah (Skylar Gaertner).

The 10-episode series is set to debut July 21.
