

## Hulu's Funny 'Future Man' Spot is Definitely Not Safe for Work

09.06.2017

It's the platinum age of television and there are 2,000 shows on the air and counting, so everyone needs to up their game. That said, using real functioning laser guns may not be the answer, as Seth Rogen and Josh Hutcherson discover in this spot for Hulu's upcoming Future Man, premiering Nov. 14.
